7 Steps to Effective Time and Task Management

Annual planning

- Free Days
- Buffer Days
- Focus Days

Create environments

- Where is your Bunker?

Teams

- 30-minutes a day of team review
- Weekly reflection
- Monthly management
- Quarterly training
- Annual celebration and strategy
- Document Storage
- Messaging
- Task Management
- Online Collaboration

Delegation

- Clear Direction
- Deadline
- Don't interrupt
- This is how to tell me you have completed
- Blame a system, not a person

Make a list

- Find some Peace & Solitude time at the best end of your day
- A, B, C & D the list
- Do the A's first
- The Full Focus Planner

Create boundaries

- Create some buffer time each day
- This is when I can be disturbed
- This is when I cannot be disturbed

Understand the difference between urgent and important

- A = Not Urgent but Important
- B = Urgent and Important
- C = Not Important but Urgent
- D = Not Important or Urgent
